Subject: RE: Public Records Request - Sesko

Pacific Coast Energy (formerly Service Fuel) is the tank farm on the east side of Pennsylvania; not the Sesko parcel.

The Sesko parcel is north and east of the Penn Plaza complex, on the west side of Pennsylvania the waterfront.

Where exactly is the Pennsylvania Toxic Waste Issue? I have about 3 permits for private maintained monitoring wells. 2 pertaining to one property on east side of Pennsylvania and another pertaining to Penn Plaza which is between Pennsylvania and Thompson.

Good morning,

Please see public records request, below. Please let me know if you believe you have responsive records, and if so, how long it will take to pull them together.
Thank you!

Greetings:

Pursuant to the Public Records Act, RCW 41.56, I request to review copies of the following Bremerton City records from July 2004 to present.

All records of the Pennsylvania Avenue Toxic Waste issue including, but not limited to, Planning discussions, memorandum, emails, phone notes; City Council study sessions, resolutions, interdepartmental reports, discussions, memorandum, emails, phone notes, and any other related documentation in the city records.

As provided by Public Records Act, I will expect your response within five business days.

Natacha Sesko
